### **2016 Paint Volume of Malaysian Paint Manufacturers Association Members**

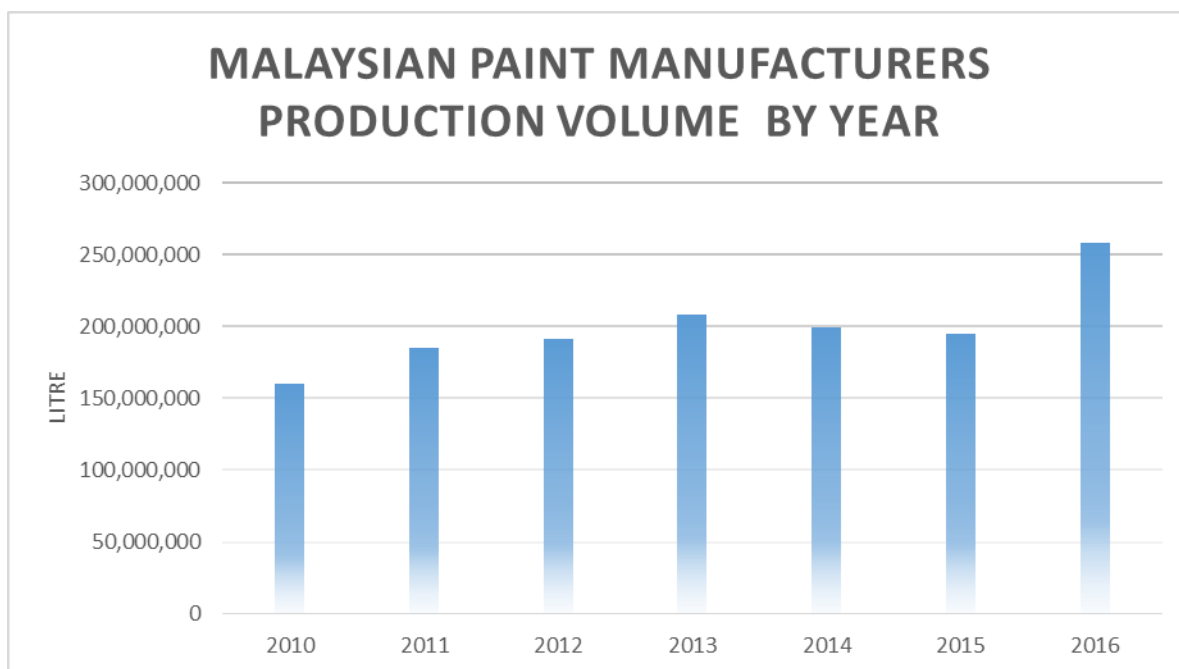

In July of 2017, K & A Synergy Technologies Sdn Bhd undertook the task of collecting the actual volume of paint produced by MPMA paint manufacturing member companies. The data below is from 14 out of the 16 paint manufacturing members of the MPMA. It does not reflect the actual volume of paint produced by all paint manufacturing companies in Malaysia.

Data prior to 2016 was the data submitted to APIC (Asia Paint Industry Council).

**Table 1: 2016 Malaysian Paint Manufacturers' Production Volume by Year (Data for 2016 is from 14 member companies of the MPMA)**

| Year | Liters      |
|------|-------------|
| 2010 | 160,349,000 |
| 2011 | 185,448,000 |
| 2012 | 191,119,000 |
| 2013 | 208,200,000 |
| 2014 | 199,852,000 |
| 2015 | 195,000,000 |
| 2016 | 258,538,778 |

**Graph 1: 2016 Malaysian Paint Manufacturers' Production Volume by Year (data for 2016 is from 14 member companies of the MPMA)**

**Table 2: 2016 Paint Volume By Market Segment**

| Market Segment          | 2016 Total Paint Production Volume by MPMA members (Liter) |
|-------------------------|------------------------------------------------------------|
| Buildings/Decorative    | 157,787,943.00                                             |
| Wood Products           | 12,950,140.00                                              |
| Industrial Coatings     | 6,972,584.26                                               |
| Coil Coatings           | 4,556,340.00                                               |
| Protective Coatings     | 12,322,778.00                                              |
| Ships/Marine            | 7,107,752.42                                               |
| Motor Vehicles OEM      | 11,183,240.00                                              |
| Motor Vehicles Refinish | 368,000.00                                                 |
| Powder Coatings         | 6,800,000.00                                               |
| Exports                 | 28,018,000.00                                              |
| Others                  | 10,472,000.00                                              |
| Total                   | 258,538,777.68                                             |
